3-4 Step left foot to left side, slightly forward, touch right foot beside left

5-6 Step right foot to right side, slightly forward, touch left foot beside right

7-8 Step left foot to left side, slightly forward, touch right foot beside left

Use your styling on the above 8 counts. Get funky! I like to lead with my right hip on 1 then left hip on 2, etc. Allowing the body to face slightly left on count 1, face slightly right on 2, etc

BOOGIE SWIVELS 3 TIMES TRAVELING RIGHT, BALL CROSS, ¼ TURN RIGHT

1-2 Step right foot to right side allowing toes of both feet to point slightly right, knees slightly bent, swivel on balls of both feet so that toes of both feet point slightly left, weight on right foot

&3-4 Step left foot beside right, step right foot to right side allowing toes of both feet to point slightly right, knees slightly bent, swivel on balls of both feet so that toes of both feet point slightly left, weight on right

&5-6 Step left foot beside right, step right foot to right side allowing toes of both feet to point slightly right, knees slightly bent, swivel on balls of both feet so that toes of both feet point slightly left, weight on right

&7-8 Step back with left foot, step right foot across front of left, turn ¼ right, step back with left

As an easier option for the above 8 counts

1-2 *Step right foot to right side with toes pointed right, step left foot together with toes forward*

3-4 *Repeat 1-2*

5-6 *Repeat 1-2*

7-8 *Step right foot across front of left, turn ¼ right, step back with left*

TRIPLE BACK, TRIPLE TURNING ½ LEFT, STEP, ½ TURN LEFT, FORWARD, TOGETHER

1&2 Step back with right foot, step together with left, step back with right foot

3&4 Turn ½ left, step forward with left foot step together with right, step forward with left

5-6 Step forward with right, turn ½ left, shift weight forward to left foot

7-8 Large step forward with right foot, small jump in place with feet together

Easier option on count 8:

8 Step left beside right

For music interpretation, on the 3rd repetition, do 3 little jumps forward with feet together on counts 7&8
